Sewerby Residents Association

## Annual General Meeting

The AGM was held on Friday 27th January 2001 at 7.30pm in The Orangery, Sewerby Hall.

Unfortunately very few of the villagers attended. This may have been because of the location or just general apathy, but it was a great disappointment to the Committee who are working extremely hard on your behalf.

Those that attended were told of our achievements and disappointments since the previous AGM. The main disappointment was the sudden resignation of Mike Precious as treasurer due to other commitments (we wish him well in all that he does)

and Wayne Priest due to moving away from the village (best wishes go to Wayne and family in their new home).

Circa 1900.

The Committee is now made up of the following :

- Ray Gibbs - Chairman
- Diane Bradley - Publicity
- Colin Breeze - Secretary
- Kate Gibbs - Newsletter
- Tony Shepherd - Vice Chairman
- Sue Stokes -

Neighbourhood Watch.

WE DESPERATELY NEED MORE COMMITTEE MEMBERS AS THE CURRENT COMMITTEE ONLY HAVE LIMITED FREE TIME DUE TO WORK & BUSINESS COMMITMENTS. WE ARE DOING OUR BEST WITH LIMITED RESOURCES!!! CAN YOU HELP ?

## Bridlington in Bloom

We have been invited to have a committee member or villager on the main Bridlington in Bloom Committee.

anyone else interested ??

See Kate at the PO.

As the committee work full time is there

“ The village is yours and we will do as you ask - The committee are there to build a better village”

## Flower Beds

The AGM has allowed us to spend some of our savings.

So we intend to brighten up the village by financially supporting a flower bed at the old bus pull in and by having hanging baskets on the available lamp posts. This will cost about £500 with the remainder being funded by the Town Council.

## Mutual Respect Required

While we respect that people wish to go to Church and give thanks perhaps those who go could remember that 'GOD' created our green and pleasant land for all of us to enjoy.

We are now in receipt of several verbal and one written complaint regarding the unnecessary parking on

## Tree Planting

Tony Shepherd assisted in the planting of a tree in 'Sewerby Meadow' (better known as dog field), along with John Wilkinson and Bridlington in Bloom. This was done on the 6th March 2001.

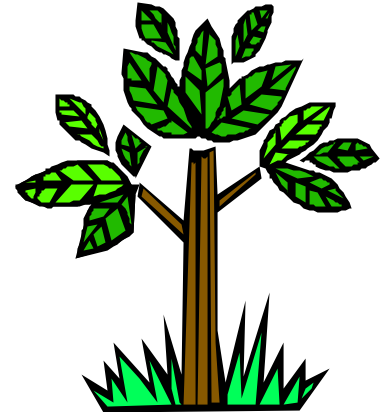

the green outside the Methodist Church. This green is not Church property and we appeal to the congregation to please STOP PARKING ON THE GREEN .... it is unsightly and will eventually ruin a pretty island ... there is ample free parking of Sewerby Hall just a short walk away !!!

## Annual Fee

The Annual Fee is now due. Again this will be £1 per person, please pay of the Post Office.

Notices were placed on offending vehicles and although this may have caused some upset this was not our intention but it did have the desired effect !!!!!

The council are looking to do something 'rustic' to prevent this happening.

*“And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth: and it was so”*

## Italian Theme Night

Based on their successful 'Gourmet Nights', the Old Forge are having an Italian Night on Friday 8th June 2001, which will also raise funds for the Residents Association.

Set in the era of Al - Capone and Bugsey Malone it is hoped that you will match the occasion in 1920s style.... no real guns please!

At £18-00 a head an

enjoyable night should be had by all.

Bookings to be made via the Forge on 01262 674535.

Book early to avoid disappointment.

## Village Design Statement

Keith Marshall has agreed to coordinate this mammoth task and there will be some expense involved.

However the committee feel that if we are to protect Sewerbys' future as a village we have to plan it now - Anyone who can assist in the research etc.. can contact Keith via the Post Office.

## Complaints

Should any member of the Association and or village have any complaint or disagreement in any action that the committee take then that complaint should be put in writing to the Secretary for a

## Loo Fight

Many of you signed the petition to stop the council closing our loos. Such closure would be very inconvenient. We await a response.

## Sad Loss

Our condolences go to Jack Ward who lost his wife, Edith of over 60 years. Best Wishes to you and your family.

## Traffic Calming

Some old story still waiting for more developments .... however we all agree it has not had the desired effect !!

## Moving On

We say good bye to Christine and Martha of Main Street and to Wayne, Shelly Charlotte & Matthew. We welcome Mr & Mrs Jenkinson and family.

response from the committee.

Individual committee members can be approached to discuss any matters in a civilised manner but we must stress that the committee is

working for the village and not for themselves or their own business interests and the two will always be kept separate .

## Neighbourhood Watch

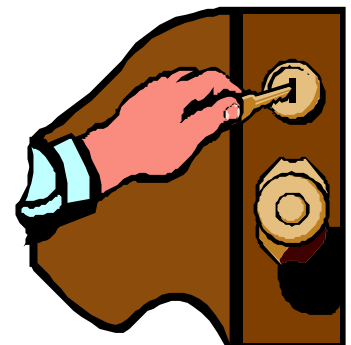

Your current N W representatives are Sue (606937) Ruby (673626) and Betty (676002) .

There is now a Bridlington Area Neighbourhood Watch Group (BANWG) and

Sue is on the Management Team of this very recently formed group.

Decisions and developments will be published in this newsletter.

Please display your Neighbourhood Watch Stickers and if you know anyone who is not yet a member of the Residents Association and therefore BANWG please encourage them to join.

## Remember

**Don't open your door without first observing the caller thro' glass.**

Open the door only after connecting chain or limiter.

**Record any strangers description, car registration along with date & time.**

Switch on outside lights when dark to see who's there.

**Think 'Thief' and don't leave strangers alone in your home.**

Examine identity cards (thro' glass) - genuine officials always have them.

**If unsure contact the Police or a neighbour.**

If you go out to work is there a neighbour who will put back your wheelie bin and push your paper through the door?

**Don't give out your surname when answering the phone, names and numbers can be matched up via the directory to obtain an address.**

If you see anything suspicious use the incident report leaflet included in your Neighbourhood Watch pack. Even if nothing occurs the information may be useful in connection with another incident in another location.

**Keep the Police station telephone number (672222) by the phone as time may be crucial, make a note of the time & person answering the call.**

If you do have cause to phone the Police, please let a BANWG rep know so they can collate all the information.

**Look, Listen and if necessary report but never have a go and always stay within the law.**
