

Sewerby Village News

Sewerby Village Residents Association

Welcome to this Edition of the Sewerby Village Residents Association News Letter. This news letter has been put together now to bring you urgent news about a referendum that the Council is holding regarding the toilets on the cliff top.

This week in the Bridlington Free Press there will be a questionnaire that the council are asking people to complete and return to them. The questionnaire is asking the people of Bridlington to vote on whether they want to save the toilet facilities on the cliff top (we are not sure if the questionnaire is for all the toilets closed).

If you want to save the toilets then we are urging you to buy the paper (This must be something the council has going with the Free Press), complete the questionnaire answering **YES** to the save the toilets question and return the form promptly to the address shown.

The council doesn't seem interested that over 1400 signatures have already been handed to them on a petition that was collected in the fish shop. And, Natalie believes that she has collected at least another 500 names since April. These will be forwarded to the council next week. **Many thanks go to Natalie & Stuart for all their hard work.**

Sewerby in Bloom 2002

As you have walked around the village I am sure you will have noticed the beautiful tubs and floral displays on the approaches to the village and the village greens. However, on Saturday 6th July a tub was taken from church lane and its contents tipped out. The theft was reported to the police, and the remaining tubs were moved.

Callous acts like the theft of the tub will not however deter the Association in their quest to bring colour & joy to the village... Also Colin Breeze has contacted the council to ask them when they or Kennedy Construction are going to come and repair the green in front of the Methodist church. We are now awaiting their reply.

Life Boat Fun-day

The Flamborough Lifeboat *Fun-day* is being held on Bank Holiday Monday, August 26th 2002 at the South Landing in Flamborough.

The Events start at 1pm with Balloon races, Cake stalls, Treasure Map, Games, Bric-a-Brac and much more.

All proceeds raised at the event will go to the run The Life Boat Station. So come along and join in the fun.
